AUDUBON HIGH SCHOOL

Le Souvenir

1951

25 Years Ago

In commemoration of Audubon's Silver Anniversary, the Class of '51 presents the "Le Souvenir" in which is permanently recorded the results of twenty-five years of progress. The recognition which Audubon has attained and her achievements of which all are justly proud have been made possible by the untiring efforts of these who have remained loyal to their Alma Mater through the years. The Senior Class of 1951 on behalf of all Senior Classes which have made Audubon's rich history wishes to express its gratitude and appreciation.

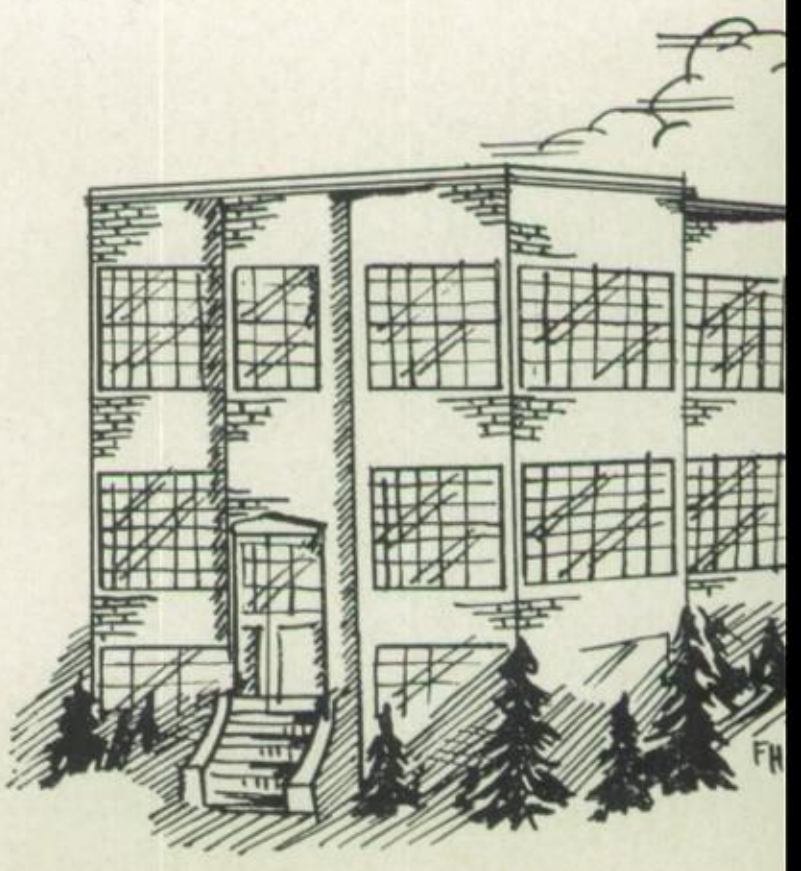
Their time and efforts

MISS GRACE N. KRAMER
Principal

To Miss Grace N. Kramer in appreciation of her deep interest in the welfare of the students . . . for her patience, understanding, and guidance during the past twenty-five years which have helped so many students to realize their goal—graduation . . . for her unconquerable spirit and untiring efforts in guiding us in both personal and scholastic problems . . . for encouraging us to accept our responsibilities, develop our character, and practice the ideals of democracy . . .

We, in behalf of all the classes which have left the portals of Audubon High School during these twenty-five years, feel it is a distinct honor for us, the Class of 1951, to dedicate this Silver Jubilee issue of Le Souvenir.



were devoted to our progress

We, the members of the Yearbook Staff, on behalf of the Class of 1951, dedicate this issue of "Le Souvenir" to a member of the faculty who, we believe, has done so much for our class. She was our Tenth Grade English teacher as well as a Sophomore and Junior class advisor. She has been actively interested in both the social and athletic activities of the school, and we feel, of our class in particular. Although we are now not officially connected with her, we are sure she hasn't forgotten us and we know we haven't forgotten her. And so we dedicate our "Le Souvenir" to a constant advisor, companion, and friend—Mrs. Gwendolyn Pratt.

GREETINGS

To the Members of the Class of 1951:

To each of you, the members of the Board of Education extend congratulations and sincerest wishes for a great and happy future.

In the world today there are great possibilities for young men and women, for there is no better chance in the world to live a useful life than to serve to make more secure the freedom of all mankind.

Let each of you, as time advances, seize every opportunity to serve your fellowmen in your endeavor for livelihood, in public office, in everyday living. Whether your contribution is large or small makes no difference, only that it is a sincere, honest effort for the betterment of others.

May God bless you and all that succeed you so that Audubon High School contributes only those who serve Humanity and Freedom.

Dr. Frank H. Owens Jr.

Progress made possible

ADMINISTRATION

MR. ERNEST SCHREIBER
Supervising Principal

The ugly shadows of a world at war again loom on the horizon. In the past, former graduates were successful in waging war but did little toward the establishment of a lasting peace. May you, the class of 1951 and the honored twenty-fifth graduating class of Audubon High School, contribute your share toward a practical formula for a better world for all people and peace.

E. Schreiber.

MISS GRACE N. KRAMER
Principal

The year 1950-1951, a time when backward glances are in order, we also look forward to the future—your future and that of your Alma Mater—for it is here in Audubon High School that we learn to live in the present as well as to make preparation for living in the future.

We glance with pride, not only over the past twenty-five years of progress and accomplishment in Audubon High School but also toward the next twenty-five years with keen anticipation in and anxiety for even bigger and better things to come.

Grace N. Kramer.

MR. PAUL M. DARE
Assistant to Principal

The members of the Class of 1951 are to be commended on the fine spirit and cooperation shown in continuing to uphold the fine traditions which have been established during the past twenty-five years. May the years to come bring success and happiness to the members of the Class of '51.

Paul M. Dare.

by their wise decisions

On the twenty-fifth anniversary of the Audubon High School, we wish to honor the members of our faculty who have served both the students and the school. Each year these advisors and teachers have endeavored to develop such ideals and traits of character which will insure better citizens of the future as they take their positions in society. They have contributed much to the progress of the high school itself.

The class of '51 congratulates especially those members of the administration and faculty who have been here for twenty-five years. These people have seen the high school develop into the fine school that it is today.

On this, our Silver Anniversary, Le Souvenir expresses its gratitude to them for their services to the students and the school.

Class Poem

Class Poem by David Hammond

THE VOYAGE

The harbor is sounded, the channel is cleared,
The open sea and the tempest is neared.
Over the water so fraught with fears,
We sail to meet the rushing years.

Bravely we go to face the test,
With smile and laugh and hearty jest,
For wind and wave no dangers hold
When hopes are high and hearts are bold.

When the last shore light fades from view,
And far behind lies the land we knew,
When the fire of hope burns dim and low
And mists obscure the North Star's glow,

When veering winds beset our sails,
And clouds hang low with impending gales,
When we doubt our course and where the port,
And wonder if all has been for naught.

Then we'll turn to charts made long ago
With book in hand and eyes aglow;
When we laid our course and mapped the way,
To a land of dreams and a bright new day.

And we'll grasp the wheel and face again,
Into the spray, the dark, and the rain.
With precepts old and concepts new,
We'll keep to the course till dreams come true.

The Literary Staff of the '51 Le Souvenir has worked long and hard all through the year to try to produce the finest book possible for our Silver Anniversary. In the years to come you will often turn to your yearbook to recall the good times you had at A.H.S. and all your classmates whom you no longer see. The staff wishes all the graduates success and happiness in the years to come.

Since the Senior class has the priviledge of conducting the yearbook project, it is the members of that class who pledge financial support. The business staff—through underclass subscriptions, advertisements, and professional patrons—has tried hard to make the financial burden as light as possible for each senior.

Musical Memories

Annual Band Night: J. Galvin, D. Wilson, M. Bannar, J. Steltz, J. Harwin.

In Grand Old Switzerland: S. Davis, S. Roberts, J. Cook, J. Harwin, D. Humphries.

The Music Department of Audubon High School plays a major part in the success of all high school functions. During the football season the band provides the colorful atmosphere which adds to enjoyment of the game. We have an outstanding swing band and very fine choir which provides entertainment for the students from time to time throughout the year. Two excellent examples of this were the operetta presented by the choir and the very successful band night show featuring all the music departments and many individual entertainers.

Our 25 Year History

All through its twenty-five years the school has been indebted to the many people who have enriched its history. The Class of '51 on the occasion of the twenty-fifth anniversary of the school wishes to pay tribute to all who have contributed so much. Especially do we want to honor our former supervising principal, Dr. Fidler; our former advisor and teacher, Mrs. McDaniels; the substitute teachers often seen in Audubon; our guidance director; and those who have returned to serve their Alma Mater.

Although not with us now, his influence is still felt.

Words cannot express our gratitude for her part in our success.

Dr. Hunter lending a guiding hand.

Always ready to lend a helping hand.

A.H.S. students make good at their Alma Mater.
